

## Declaration concerning REACH Regulation referring to spare parts and components supplied by MH-PARTS GmbH & Co. KG

With the requirements of the REACH Regulation (Registration, Evaluation, Authorisation and Restriction of Chemicals, Regulation No. 1907/2006/EC) as well as corresponding regulations (e.g. EU Ship Recycling Directive EU Reg. No. 1257/2013 / RoHS (Reduction of Hazardous Substances), 2011/65/EU) MH-PARTS declares the following because of an increasing number of enquiries concerning compliance:

MH-PARTS GmbH & Co. KG neither is a producer of substances and preparations nor do we produce any self developed products from raw materials. All products offered by MH-PARTS GmbH & Co. KG consist of components and parts of distributors and / or manufacturers (concerning genuine spare parts as well as OEM parts). Accordingly MH-PARTS depends on information given by the manufactures / distributors in order to confirm a „Supplier Declaration of Conformity (SDoC) and / or a „Material Declaration (MD) which is part of the regulation. Without any information concerning these declaration MH-PARTS must not give reports. Certainly MH-PARTS provides existing declarations to enrich our customer's needs corresponding to all quality standards we are providing with MH-PARTS for years. For sure, new products to be included in our product range will be checked for compatibility with the above mentioned regulations. Concerning products that does not meet the requirements for the intended use, we clarify its use with our customers in advance.

Declaring compatibility with the above mentioned regulations for individual components beyond this declaration might generate charge. If requested we have to charge likewise for this service.

We ask for your understanding and appreciate your cooperation!
